# NEHTA's purpose

National E-Health Transition Authority  
[www.nehta.gov.au](http://www.nehta.gov.au)

Lead the uptake of eHealth systems of national significance; and coordinate the progression and accelerate the adoption of eHealth by delivering urgently needed integration infrastructure and standards for health information.

Established and funded by the Australian, State and Territory governments.

A staged approach

The HI Service is not “big bang” but incremental

Early adopters will work with NEHTA and they select their vendor partners
