

15 July 2009

OUTCOMES STATEMENT

Meeting Summary 15 July 2009

The third meeting of the Architecture and Technology Reference Group was held in the NEHTA Brisbane office on 15 July 2009.

Co-Chairs:

Andy Bond	NEHTA
Stephen Burmester	QLD Health

Representation at the meeting included:

Consumer Health Forum
Medicare Australia
Royal Australian College of Practitioners (RACP)
DHS Victoria
NEHTA
SlatteryIT secretariat

Apologies were received from:

Cabrini Health Australia
NSW Department of Health
HCF
Department of Health and Families of the NT

The meeting had the following objectives:

- To provide an update on the Architecture and Technology Group work.
- To provide an update on NASH.
- To provide an update on the referral solution architecture.
- To provide an update on CCA.

Summary of Actions:

- NEHTA to distribute the referral solution architecture for feedback to ATaRG once it becomes available.
- Vendor engagement strategy presented by NEHTA and discussed with group.
- Medicare Australia explained how it engages with software vendors and will provide documentation on this.

Summary of Outcomes:

- Agreement reached by the group on reference groups and vendor representation, representation on sub-groups and ongoing relationship between ATaRG and vendor sub-groups.
